ADOxx.org invites you to the next **ADOxx Training Days in April 10th-12th, 2019 in Vienna**. Based upon the series of trainings, tutorials and workshops, we focus in these 2,5 days on the implementation of your own modelling tool using the ADOxx platform and address everybody who has registered and downloaded the ADOxx meta-modelling platform.

Agenda Outline:

- + Implementation of a modelling language in ADOxx
- + Implementation of mechanisms and algorithms in ADOxx
- + Introduction of ADOxx.org development services
- + Practice time

Training Details:

- + *Location:* University of Vienna, Austria
- + *April 10, 2019:* 09:30 – 18:00
- + *April 11, 2019:* 09:30 – 18:00
- + *April 12, 2019:* 09:30 – 14:00

The tutorial is **free of charge**, nevertheless **registration is mandatory**. No previous knowledge is required for participants.

Please register by sending an e-mail to tutorial@adoxx.org

For more information about the tutorial, see: <https://www.adoxx.org/live/tutorial>

For information about the content, see: <https://www.adoxx.org/live/adoxx-documentation>

Download the ADOxx Development Platform at: <https://www.adoxx.org/live/download>

Please note that ADOxx.org tutorials and training sessions can also be organized at your location. If you have any questions, please do not hesitate to get in touch with us by sending an email to info@adoxx.org.

Do you know someone else that is interested in the training? We encourage you to share this message and spread the word about the upcoming training.

With kind regards from the ADOxx.org Team
